Join Up, Join In!

WEMA supports young musicians to join together for fun, friendship, and learning.

Music Centres

Playing in an ensemble at one of our Music Centres is a great way to enhance skills in a fun, friendly environment.

Sessions run on Saturday mornings and weekday evenings during term-time and are open to everyone - from beginners and novices, through to more advanced players. There's a wide range of ensembles available including chamber groups, full orchestras, choirs and bands.

Our Music Centres are always looking for new members and free taster sessions are available.

Events & Activities

WEMA runs a year-round programme of events and activities to enhance learning, provide connection with other young musicians, and give children access to expert musicians.

Activities are wide-ranging and include workshops, concerts, holiday courses, tours, masterclasses and more.
